

## **COMRADES ULTRA Andy Chased By Horses \* Trent Park Trail**

Stuart Haycroft ran the Gruelling Comrades Ultra Marathon in South Africa, the largest in the world with over 20000 runners covering a distance of 90km/57miles. He said, “This marathon is a national institution in South Africa, with the whole country glued to the television sets all day to see the drama unfold, with time based medals and cruel cut-offs. The worst being the 12 hour cut-off, if you run 12 hours and 1 second, you get no medal and are marked as did not finish.”

This year was the down run, from the City of Petermaritzburg to Durban, although that doesn't mean it's downhill, just that is more downhill than up, with the course having a total elevation gain of 1110m / 3642 feet with a total descent of 1779 metres /5837 feet).

Stuart says he loved the incredible crowd support and excellent organisation of the event and absolutely recommends it to anybody silly enough to want to run 57miles.

Stuart completed the event in a time of 8 hours 25 minutes which is equivalent to running two sub four hour marathons with an extra 5 miles on top. This time was 2 hours and 7 minutes faster than his previous attempt on the down run.

### **Fairlands Fifty**

A fabulous fifty from Fairlands ran in Thursday's Mid Week League race at Trent Park. Low light in the woods made a tough race even trickier for some in what was essentially a cross country event. As a consequence average times were slower than for a normal 10K but there were still some great Spartan performances.

**CALLUM STEWART** was second out of the 397 finishers in 35 minutes 25 seconds. **DAN McALPINE** was also top ten at ninth in 36:48. **SIMON JACKSON** was sixth in his category with 38:23 and **STEFFAN FORD** eighth forty plus 38:45. **RICHARD SPRINGALL** was another highly placed Spartan with 41:04.

**MICHELLE REEVES** was the fastest of the twenty Spartan women with 46 minutes 39 seconds. **ISABEL GREEN** 49:13; **CLAIRE EMMERSON** 49:52 and **MARIE COLUCCI** 49:51 also all beat 50 minutes

The fourth Mid Week Road Race League fixture will be in Stevenage on Wednesday evening 27<sup>th</sup> June.

### **A First For Sally**

On Saturday **SALLY McBRIDE** ran the Runthroughuk 10k at Dorney Lake, Windsor. It was the first time she'd ever been there and her fourth 10k race I've entered but her first with Fairlands Valley Spartans.

She ran a time of 1:05:04 which was a PB as her previous best was 1:06:16 at the Finsbury Park Chase the Sun.

The weather was quite cloudy when we arrived but the sun soon came through and it ended up being a fairly hot sunny day.

### **Natalie Wins At Windsor**

**NATALIE LAWRENCE** won the Dorney Lake Triathlon. This was her first triathlon of 2018 & off no structured swim or bike training purely run (18:32 off bike)

She was first female and first in her age category. In fact she was fifth overall including the men. This was a sprint distance triathlon with 10:59 for the 750 metres swim; 33 minutes 28 seconds for the 20K bike and 18 minutes 32 seconds for the 5K run.

**Natalie said she enjoyed the nice early start time too- 7am at Eton Dorney Olympic rowing lake and that she was pretty happy with the result having done no swimming or cycling preparation, just running, after having baby Louie in January.**

### **Chased By Horses**

**ANDREW PATTERSON took on the epic Man v Horse Marathon in Wales. Albeit 22 miles and not quite marathon distance it did include 4000 feet of elevation gain. The race pitches 600 solo or team of three relay runners against 60 horses and their riders. The start is in the smallest town in Britain, Llanwrtyd Wells, and after a mile you are ascending the mountain range. After a 15 minute head start the horses are chasing you down!**

**Andy said, "Unfortunately I went in to the race with a slight hamstring injury and wasn't able to attack the downhill sections as much as I would have liked so the lead group got away and I found myself in fifth spot. Annoyingly I took a wrong turn and ended up doing 0.8mile longer and dropped to 20th place. I worked my way back up the field to tenth but at 18 miles the first horse came galloping past. In the end I was beaten to the finish by three horses. Gutted to have taken a wrong turn but overall I was pleased with my efforts, really enjoyed it and would absolutely recommend the event.**

**He finished in a time of 2 hours 55 minutes.**

### **St Albans Half**

**YUKO GORDON ran her fifth St. Albans Half Marathon on Sunday and it was her fifth win in the women over 55 category. She said she was quite satisfied to dip under 100 minutes with 1:39:59.**

**DANNY SCANLON ran his second ever half marathon and managed a PB of 1 hour 32 minutes 6 seconds.!**

**ADRIAN BUSOLINI was fastest Spartan in 1:27:15. LIZ SMITH came in with 1:57:48; SUSAN McANENY with 1:59:50 and CLARE HOWELL with 2:20:15.**
