

## REGIONAL GRADING COMPETITION

On Sunday Richard's Trampoline Club attended the Eastern regional Grading competition in Cambridge. This was the first competition of the year using the new routines, and the first Grading competition for most of our competitors. The club had a team of 5 performers.

Callum Lawrence was incredibly nervous and struggled with his routine during the warm-up. However, when it mattered he completed 2 great routines to finish 1<sup>st</sup> in his group - a fantastic achievement at his first Grading competition.

Next up was Jo Wardle, this was her first grading competition since her injury. Despite nerves and minimal warm-up time she completed 2 solid routines to place her in 12<sup>th</sup> place.

Caitlyn Bridgman, Miriam Jenkins and Sarah Feldman were all competing for the first time today. They all enjoyed the experience and completed all of their routines, they'll be looking to build upon their performance today at the next competition.

Richard's Trampoline Club holds classes in Letchworth and Stevenage. For more information about the club please visit [www.richardstrampolineclub.com](http://www.richardstrampolineclub.com)
