

REGIONAL GRADING COMPETITION

On Sunday Jacob Tuck attended the Eastern regional Grading competition in Brentwood, representing Richard's Trampoline Club. Jacob had already done enough to qualify for the Regional Team Semi Finals, but he was looking to improve on his total score and gain valuable competition experience.

Competing at Level 6 this is the highest level before moving onto National level. All the work Jacob's put into his routines paid off and he performed 2 excellent routines. He finished with a total of 51.50, so a fantastic improvement from his last competition, and this earned him 2nd place overall - well done!
