

Return to Racing

Although the track at Stevenage remains closed due to ongoing water supply problems SNHAC Club Member Chris Westcott took part in the Milton Keynes 5km race last week.

Waves of 10 runners set off 5 minutes apart, so in effect a mini race of 10 around Willen Lakes. He finished in 16:47 (chip time) which is his 2nd fastest 5km and the fastest for 3 years.

With other local races and open meetings starting to appear on the calendar, albeit restricted events it will be good to see other members back in action in the early Autumn. Hopefully, the Club will be back training at Ridlins early September.
